

## Statement of Intent

### Pan Canadian Physical Activity Strategy (PCPAS)

The PCPAS will not be possible without the commitment of key stakeholders. Partner organizations are encouraged to formally demonstrate their participation as follows:

\_\_\_\_\_ (Organization name) is committed to working collaboratively toward the Vision of the Pan Canadian Physical Activity Strategy, and will participate as a stakeholder in the undertakings described in that Strategy.

Our organization will undertake a process to identify how we may contribute to and participate in the work of the PCPAS as described in the strategy.

This partner plan will:

- Articulate our common objectives;
- Identify areas in which our organization will provide leadership to the PCPAS strategic priorities and strategic directions;
- Describe ways in which our organization may contribute to the plan through in-kind contributions, including:
  - Infrastructure
  - Human resources
  - Financial resources

Our organization will complete this planning process by October 1<sup>st</sup>, 2006.
